# 2018 MEMBERSHIP DRIVE

Dear Friends,

Once again we ask for your annual support of our Membership Drive. This is our only major community fundraiser each year. The Membership Drive will run from January through December. Gifts received prior to the first of the year will be applied to the 2018 Drive, enabling the donor to receive the tax benefit in 2017. You are receiving the brochure prior to the membership year so that you may plan your giving accordingly.

While all of our programs are continuing, our Hospice and Homecare have experienced rapid growth. In order to accommodate this growth we have purchased the JF & CS building at 646 Salisbury St. to relocate those administrative offices. Appropriate community notification and permitting will begin shortly.

With your help we will continue to grow!

*Steven Willens*  
Executive Director

*Joel Greenberg*  
President, Board of Directors
